North Star Reach
a seriousfun camp

2020 SUMMER CAMP-AT-HOME SCHEDULE

Summer Schedule for Registered Campers*

Transplant (Camp Michitanki) Camp: June 16-19

Solstice Camp: June 23-26 (for campers and siblings ages 16 & 17)

Cardiology Camp: June 30-July 3

Epilepsy (Camp Discovery)/Neuro-Oncology Camp: July 14-17

Sickle Cell/Hematology/Pain Mgt Camp: July 21-24

Sibling Camp: July 28-31

*If you have a question about registering your camper, please contact Jessica Doletzky, NSR OutReach and Family Liaison Director (campers@northstarreach.org or 734- 320-0063). We know times are uncertain right now and we're not sure what next week, let alone next month, looks like. But we ask that you register even if you think there's only a small chance your camper would participate in our camp-at-home programs.

northstarreach.org

North Star Reach offers life-changing camp experiences to children with serious illnesses and their families from the Great Lakes region through intentional, inclusive year-round programming that sparks meaningful engagement and connection with others. Our camp, which is free of charge for all kids and families, is funded through the generosity of donors and the communities we serve. Staff by experienced camp professionals, a dedicated medical team, incredible program and medical volunteers, North Star Reach creates a place of belonging and connection for our camper families, helping to ease the sense of isolation and stress they are facing, especially during this time of a global pandemic. We look forward to camping with you this summer!
